

**WE ARE THE  
CUSTOMER SERVICE COMPANY**

**WHO WE ARE**

As the leading supplier of metals and piping in Central New York, we are carrying on the tradition of "setting the pace" with excellent quality and service that our founder built his business upon in 1956.

**OUR MISSION**

To be the premier metals and piping distributor by providing the products, expertise and customer service to help our customers succeed.

**WHO WE SERVE**

We proudly service: OEMs, job shops, precision machine shops, in-plant maintenance, steel and sheet metal fabrication, construction, HVAC, municipalities, mechanical, medical, government & aerospace industries, transportation & the military.

Our fleet of trucks allows us to complete next-day delivery service and stand true to our commitment to serve all our customers – no matter their size.

# METALS DIVISION

## ALUMINUM

Bar: Round, Square & Flat - 6061, 6101  
 Structurals: Angle, Beam & Channel  
 Tubing: Round, Square & Rectangular  
 Pipe: SCH 40 & 80 - 6061, 6063  
 Extrusions: All Standard Mill Shapes Available Upon Request  
 Sheet: 3003, 5052, 6061  
 Plate: Non-Heat Treatable - 5052  
     Heat Treatable - 6061  
     Diamond Tread Plate - 3003  
     Cast Tool & Jig Plate

## STAINLESS STEEL

Bar: Round, Square & Flat - 303, 304/L  
 Structurals: Angle  
 Tubing: Square & Rectangular - 304, 316 & Sanitary Grade  
 Pipe: SCH 10, 40 & 80 - 304, 316; Seamless & Welded  
 Sheet: 304/L, 316/L, 430; 2B & #4 Finishes  
 Plate: 304/L 2B Finish

## COLD FINISHED BARS

Round: C1018, C1141, C1215, C12L14  
 Square: C1018  
 Flat: C1018

## HOT ROLLED STEEL

Bar: Round, Square, Flat - A36, A572-50  
 Structurals: A36, A572-50, A709, A992, 44W  
 Angle - Bar Size & Structural  
 Beam - Wide Flange, I-Beam  
 Channel - Bar, Stair Stringer, Ship & Car, Structural

## STEEL DECKING - GRATING - STAIR TREADS

Roofing: 1.5B G60 Galv 20GA 3' X 24'  
 Non-Composite: 1.5C G60 Galv 20GA 3' X 24'  
                     0.6C G60 Galv 22GA 30" X 24'  
 Composite: 1.5VL G60 Galv 20GA 3' X 24'  
 Bar Grating: 2' or 3' x 24' panels - various heights & finishes  
 Stair Tread: 7", 9-1/2" & 11-3/4" X 12' panels - various heights & finishes

## GALVANIZED PRODUCTS

Sheet: 36", 48", & 60" Wide - Galvanized & Galvannealed  
 Coil: 60" Wide, 5.934" Wide Galvanized  
     Cut to length or slit to width available upon request  
 Structurals: Angle & Channel

*We have extensive resources to source materials other vendors can't. If you don't see what you need, please call us!*

- A CENTURY OF SERVICE -

# CHARLES MILLAR INDUSTRIAL DIVISION EST. 1861

## PIPE

Welded Steel Pipe: Black & Galvanized SCH 10, 40, 80  
 Welded Bare Pipe: SCH 40  
 Seamless Black Pipe: SCH 40, 80, 160, XX  
 304 & 316 Stainless Steel Pipe: SCH 10, 40, 80  
 Copper Tube: L, M, ACR, Refrigeration Coils  
 PVC & CPVC Pipe: SCH 40 & 80

## VALVES

NIBCO Valves: Ball, Check, Gate, Globe & Butterfly  
 Stainless Steel Ball, Check, Gate, Globe & Butterfly  
 PVC & CPVC Valves: SCH 80

## FITTINGS

Black & Galvanized Fittings: 150# & 300#, Cast Iron, 125# & 250#, Dielectric Unions  
 Pipe Nipples: Black, Galvanized, Brass, Runs, SCH 40 & 80  
 Weld Fittings & Flanges: 150# & 300#, Import & Domestic  
 Forged Steel Fittings: TOL, WOL  
 GRUVLOK Fittings  
 304 SS 150# Threaded Fittings & Flanges  
 304 SS SCH 10 & 40 Weld Fittings  
 Copper Fittings  
 Copper Press Fittings & Valves  
 PVC Fittings & Valves: SCH 40 & 80  
 CPVC Fittings & Valves: SCH 80

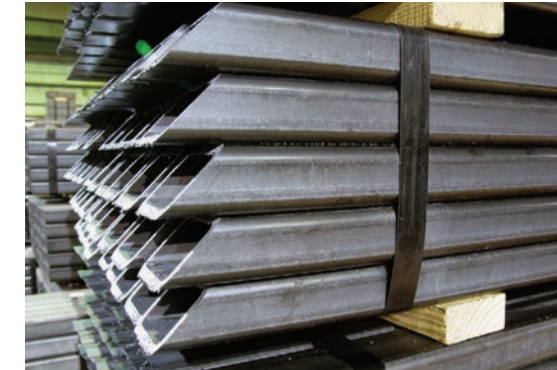

## STRUT, PIPE HANGERS & ACCESSORIES

Hangers: Clevis, Swivel, Roller & Split Ring Hangers  
 Roof Top Blocks  
 Insulation Protection Saddles  
 Strut and Strut Accessories  
 Threaded Rod: Plain, Stainless, B7 Alloy, Zinc in 6' & 12' Lengths

## OTHER ITEMS

Gas Regulators  
 Strainers, Steam Traps, Circuit Setters  
 Weiss Gauges, Thermometers & Acc  
 Pipe Insulation: Fiberglass & Armaflex  
 Gaskets: Garlock, Red Rubber & Spiral Wound  
 Flange Paks 150# & 300#  
 Bolts, Nuts Washers, Drop-ins, Rod Couplings  
 304 SS Fasteners: Nuts, Bolts, Washers  
 Abrasive Wheels: Grinding Discs, Cut-off Wheels, Flap Discs  
 Copper Fitting Brushes & Flux Brush  
 WD-40, Lenox Band-Aid  
 Rigid Tools: Threaders, Wrenches, Pipe Cutters, Cutting Oil, etc.  
 Sprinkler Heads, Sprinkler Equipment & Acc  
 Lenox Band Saw, Hole Saw, & Sawsall Blades  
 Gloves, Cotton, Leather, Insulated  
 Hand Cleaners  
 Pipe Joint Compound: Gasoilia, Permatex, Keytite, Rectorseal, Blue Monster  
 Flux: Nokorode & Oatey  
 Solder: Silvabrite 100, Sterling, 95/5, 50/50  
 PVC & CPVC Glue & Primer

Plus many other items to compliment the Pipe, Valves & Fitting inventory.

# PROCESSING SERVICES

- 12' Shear capacity
- 250 Ton 12' Press Brake
- Sheet/Plate shearing up to 1/2" thick for carbon plate and 3/8" thick on stainless steel and tread/floor plate.
- Aluminum Sheet/Plate saw cutting up to 10" thick x 12 ft long. High capacity sawing with a travel speed up to 500 inches per minute. Surface finish to 8 micro-inch.
- Precision band saw cutting with multiple saws that have auto indexing and bundle cutting capacity. We offer miter cutting to print and close tolerances for long length cuts.
- Hole and slot punching in plates, angles, and channels.

# HIGH DEF PLASMA

**CARBON – A36 –A572  
 ABRASION RESISTANT  
 DIAMOND PLATE**

2" Max Production Pierce  
 3" Max Edge Start

**STAINLESS STEEL (H35/N2)**

1-1/2" Max Production Pierce  
 2-1/2" Max Edge Start

- Koike HPR400XD also includes a full Oxy setup that is capable of burning up to 4" thick plate.
- ProNest software will maximize full plate usage.
- Shapes, holes, slots are all easily burned when you send us your drawing file.
- Etching capabilities for part numbers, logos or reference lines.
